17 October 1949

1. No trucks were at the NEURUPPIN (N 53/Z 49) airfield. One U-2 biplane was parked in front of a hangar.

18 October 1949

2. Four biplanes with radial engines, two with and two without cockpit, were parked at the field. The air force truck was noticed among numerous army motor vehicles.

Comment:

The field is not occupied by an air unit. The observed PO-2s are presumably assigned as courier planes to the army unit quartered in the field kasernes.
